Greetings from Church World Service-P/A!

Writing a good, fundable grant proposal is essential to the survival of many NGOs. To do so, one must understand what 'good' and 'fundable' mean to the donor. Always endeavouring to address partners' needs,, this time again the Capacity Building Program for Peoples Organizations is organizing a 6-day training on '*Proposal Writing- National*' from 28th July to 2nd August,2008 at O'Spring Estate, Murree.

Through this training you will realize that proposal writing is manageable, a skill which you can enhance if there is conceptual clarity and this can be achieved through proper training and practice.

For training details, please refer to the brochure, attached herewith. If you wish to nominate person/s from your organization, kindly duly fill the enclosed application form and mail/fax it back to us before **05 July, 2008**.

If the applicant meets our selection criteria, a confirmation letter will be sent to him/her by **10 July, 2008**. Females are encouraged to apply.
